Applied Behavior Analysis Conference

“Behavior Analysis in Everyday Life: Using Behavior Analysis for You, Your Staff and the World”

Tuesday, February 17, 2009
9 a.m.—3:30 p.m.
Florida Institute of Technology
Denius Student Center, Hartley Room, 2nd Floor
Winston specializes in the analysis and treatment of severe disabilities for over 20 years. He received a B.S. from Western Michigan University in 1999 and a Ph.D. from Florida State University in 2005, where she also served as graduate adviser for the Society for Performance Management. She received awards for research, mentorship and university teaching. She serves on the editorial board for the *Journal of Organizational Behavior Management*, is an officer for the Organizational Behavior Management Network and is a member of the Association for Behavior Analysis. She is also affiliated with the psychology department at Wofford College.

### Conference Speakers

**Merill Winston, Ph.D.**

Professional Crisis Management Association

Dr. Winston is a behavior analyst who has worked in the field of developmental disabilities for over 20 years. He received his undergraduate degree in psychology from the University of Florida and his Ph.D. from Auburn University. Dr. Winston specializes in the analysis and treatment of severe behavior disorders with special populations. His range of treatment experience includes feeding disorders, self-injury, severe aggression, language acquisition and skill acquisition problems. Dr. Winston has worked in a variety of settings including private homes, group homes, large institutions, secured facilities, schools and day-treatment programs. He has experience as an expert witness and frequently consults with attorneys, parents and advocates of persons with disabilities. He currently spends at least one day a week as the behavior analysis consultant for Palm Beach County Schools, the 11th largest school district in the nation. He sees children in special education classrooms throughout Palm Beach County’s 184 schools.

**Jeanine Stratton, Ph.D.**

Furman University

Jeanine Plowman Stratton is a member of the business and accounting department at Furman University, where she teaches courses in behavioral approaches to organizational performance improvement and consumer behavior/marketing practices. Her research interests, broadly defined, include performance feedback, incentive-based strategy, consumer behavior, behavior-based sustainability and social corporate responsibility. She received a B.S. from Western Michigan University in 1999 and a Ph.D. from Florida State University in 2005, where she also served as graduate adviser for the Society for Performance Management. As a Board Certified Behavior Analyst, she has experience in program development and staff training in facilities and classrooms for children with developmental disabilities and has consulted in a variety of businesses. Dr. Stratton has received awards for research, mentorship and university teaching. She serves on the editorial board for the *Journal of Organizational Behavior Management*, is an officer for the Organizational Behavior Management Network and is a member of the Association for Behavior Analysis. She is also affiliated with the psychology department at Wofford College.
